

Warranty Policy

Fly Alliance provides a standard 30 day warranty for your purchase. You will receive the warranty limit on your initial quote and it will be stated in your invoice. For a warranty to be valid, a maintenance report will need to be provided or is subject to acceptance. All freight charges are non-refundable. Units sold from Fly Alliance are guaranteed to function and operate. Issues of functionality of the unit upon install can be returned or replaced under warranty. Units purchased and sent for recertification, repair, or overhaul will void the warranty given by Fly Alliance.

Warranty Limits

30 days - \$20,000 purchase price and below

60 days - \$20,001 - \$50,000 purchase price range

90 days - \$50,001 purchase price and above

Parts tagged greater than 24 months will have 30 day warranty.

The warranty on engines and APU are for 30 days regardless of the purchase price.

Return Policy

Parts must be returned in the original Fly Alliance packaging and with the original traceability paperwork provided. All items approved for return are subject to a restocking fee of twenty percent (20%) and possible re-certification fee. All freight charges are non-refundable.
